Counseling Connections of SWPA, LLC (CCSWPA) provides services to broken and blended families to reduce the trauma associated with parent divorce, parent alienation, and custody issues. CCSWPA provides therapy for co-parenting, parent child relations, blended families, couples and family relationships, individual skill building such as parenting, anger management, etc. Insurances typically do not cover most of these services due to these problems not meeting the diagnostic criteria for a mental health disorder, but CCSWPA can provide the services for the following fees:
